MOTORCOACH PARKING

Portland, Oregon

Off-street overnight parking

For downtown pricing and scheduling, call 503-221-1666 X632; for Lloyd Center Area call 503-235-7275. All lots are subject to availability. Parking may be available under the Morrison and Burnside Bridges, but users must get permission from Paul Verhoven (Portland Saturday Market) at 503-222-6073 for parking under the Burnside Bridge, or Shawn Rogers of Portland Parks at 503-823-2517 for parking under the Morrison Bridge.

On-street parking

On-street overnight/long-term motorcoach parking—which is marked with a sign that say “NO PARKING EXCEPT FOR BUSES”—is good for any period of time. During summer months, Lincoln High School, on the south side of Salmon Street between 14th and 16th, can accommodate five buses. This is a good location for Rose Festival Clients.

Loading/Unloading

15 minute loading zones, indicated by signage, are located around or adjacent to most hotels in the downtown core area. The south side of Salmon Street near the Hilton Hotel (between sixth and Broadway) has a 30-minute bus loading zone.

Reserving space to load/unload

Space reservations are available for \$22 per space per day. These reserved zones are for loading or unloading passengers and are not parking spaces for motorcoaches. Space reservations require a minimum of 5 days notice. Please call the Portland Permit Center at 503-823-7365.
