Welcome to Low Bar Chorale!

Fix yourself a drink and sing along to some of your favorite quarantunes. Music Director Ben Landsverk and our virtual band will guide you through. Bonus points for singing from your porch or backyard!

1. CARELESS WHISPER - George Michael

I feel so unsure
As I take your hand and lead you to the dance floor
As the music dies, something in your eyes
Calls to mind the silver screen
And all its sad good-byes

CHORUS:

I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
Should've known better than to cheat a friend
And waste the chance that I've been given
So I'm never gonna dance again
The way I danced with you

Time can never mend
The careless whispers of a good friend
To the heart and mind
Ignorance is kind
There's no comfort in the truth
Pain is all you'll find

[chorus]

Tonight the music seems so loud
I wish that we could lose this crowd
Maybe it's better this way
We'd hurt each other with the things we'd want to say
We could have been so good together
We could have lived this dance forever
But no one's gonna dance with me
Please stay

[chorus]

2. EVERY BREATH YOU TAKE - The Police

Every breath you take
Every move you make
Every bond you break, every step you take, I'll be watching you

Every single day
And every word you say
Every game you play, every night you stay, I'll be watching you

Oh, can't you see you belong to me
How my poor heart aches with every step you take

Every move you make, and every vow you break
Every smile you fake, every claim you stake, I'll be watching you

Since you've gone I've been lost without a trace
I dream at night, I can only see your face
I look around but it's you I can't replace
I feel so cold and I long for your embrace
I keep crying, "Baby, baby, please"

Oh, can't you see you belong to me
How my poor heart aches with every step you take

Every move you make and every vow you break
Every smile you fake, every claim you stake, I'll be watching you
Every move you make, every step you take, I'll be watching you

I'll be watching...

Every breath you take and every move you make
Every bond you break, every step you take, I'll be watching...
Every single day, every word you say
Every game you play, every night you stay, I'll be watching...
Every move you make, every vow you break
Every smile you fake, every claim you stake, I'll be watching...
Every single day, every word you say
Every game you play, every night you stay, I'll be watching you

3. THE BOYS OF SUMMER - Don Henley

Nobody on the road
Nobody on the beach
I feel it in the air
The summer's out of reach
Empty lake, empty streets
The sun goes down alone
I'm driving by your house
Though I know you're not home

But I can see you-
Your brown skin shinin' in the sun
You got your hair combed back and your sunglasses on, baby

And I can tell you my love for you will still be strong
After the boys of summer have gone

I never will forget those nights
I wonder if it was a dream
Remember how you made me crazy?
Remember how I made you scream
Now I don't understand what happened to our love
But babe, I'm gonna get you back
I'm gonna show you what I'm made of

I can see you-
Your brown skin shinin' in the sun
I see you walking real slow and you're smilin' at everyone
I can tell you my love for you will still be strong
After the boys of summer have gone

Out on the road today, I saw a DEADHEAD sticker on a Cadillac
A little voice inside my head said, "Don't look back. You can never look back"
I thought I knew what love was
What did I know?
Those days are gone forever
I should just let them go but-

I can see you-
Your brown skin shinin' in the sun
You got that top pulled down and that radio on, baby
And I can tell you my love for you will still be strong
After the boys of summer have gone

I can see you-
Your brown skin shinin' in the sun
You got that hair slicked back and those Wayfarers on, baby
I can tell you my love for you will still be strong
After the boys of summer have gone

4. IT'S THE END OF THE WORLD AS WE KNOW IT - R.E.M.

That's great, it starts with an earthquake
Birds and snakes, and aeroplanes
And Lenny Bruce is not afraid

Eye of a hurricane, listen to yourself churn
World serves its own needs
Don't mis-serve your own needs
Speed it up a notch, speed, grunt, no, strength
The ladder starts to clatter
With a fear of height, down, height
Wire in a fire, represent the seven games
And a government for hire and a combat site
Left her, wasn't coming in a hurry with the Furies breathing
Down your neck

Team by team, reporters baffled, trumped, tethered, cropped
Look at that low plane, fine, then
Uh oh, overflow, population, common group
But it'll do, save yourself, serve yourself
World serves its own needs, listen to your heart bleed
Tell me with the Rapture and the reverent in the right, right
You vitriolic, patriotic, slam fight, bright light
Feeling pretty psyched

It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it and I feel fine

Six o'clock, T.V. hour, don't get caught in foreign tower
Slash and burn, return, listen to yourself churn
Lock him in uniform, book burning, bloodletting
Every motive escalate, automotive incinerate
Light a candle, light a motive, step down, step down
Watch your heel crush, crush, uh oh
This means no fear, cavalier, renegade and steering clear
A tournament, a tournament, a tournament of lies
Offer me solutions, offer me alternatives and I decline

It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it and I feel fine
I feel fine

The other night I drifted nice continental drift divide
Mountains sit in a line,
LEONARD BERNSTEIN
Leonid Brezhnev, Lenny Bruce and Lester Bangs
Birthday party, cheesecake, jellybean, boom

You symbiotic, patriotic, slam but neck,
Right, right

It's the end of the world as we know it (time I had some time alone)
It's the end of the world as we know it (time I had some time alone)
It's the end of the world as we know it and I feel fine (time I had some time alone)

It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it and I feel fine (time I had some time alone)

(repeat indefinitely)

5. WISH YOU WERE HERE - Pink Floyd

So, so you think you can tell
Heaven from hell
Blue skies from pain
Can you tell a green field
From a cold steel rail?
A smile from a veil?
Do you think you can tell?

Did they get you to trade
Your heroes for ghosts?
Hot ashes for trees?
Hot air for a cool breeze?
Cold comfort for change?
Did you exchange
A walk on part in the war
For a lead role in a cage?

How I wish, how I wish you were here
We're just two lost souls
Swimming in a fish bowl
Year after year
Running over the same old ground
And how we found
The same old fears
Wish you were here

6. HELLO - Adele

Hello, it's me
I was wondering if after all these years you'd like to meet
To go over everything
They say that time's supposed to heal ya
But I ain't done much healing

Hello, can you hear me?
I'm in California dreaming about who we used to be
When we were younger and free
I've forgotten how it felt
Before the world fell at our feet

There's such a difference between us
And a million miles

CHORUS:

Hello from the other side
I must have called a thousand times
To tell you I'm sorry for everything that I've done
But when I call you never seem to be home

Hello from the outside
At least I can say that I've tried
To tell you I'm sorry for breaking your heart
But it don't matter, it clearly doesn't tear you apart
Anymore

Hello, how are you?
It's so typical of me to talk about myself, I'm sorry
I hope that you're well
Did you ever make it out of that town
Where nothing ever happened?

It's no secret that the both of us
Are running out of time

So hello from the other side
I must have called a thousand times
To tell you I'm sorry for everything that I've done
But when I call you never seem to be home
Hello from the outside
At least I can say that I've tried
To tell you I'm sorry for breaking your heart
But it don't matter, it clearly doesn't tear you apart
Anymore

(Highs, highs, highs, highs, lows, lows, lows, lows)
Anymore

[instrumental]

Hello from the other side
I must have called a thousand times
To tell you I'm sorry for everything that I've done
But when I call you never seem to be home

Hello from the outside
At least I can say that I've tried
To tell you I'm sorry for breaking your heart
But it don't matter, it clearly doesn't tear you apart
Anymore

7. THIS MUST BE THE PLACE (NAÏVE MELODY) - Talking Heads

Home is where I want to be
Pick me up and turn me around
I feel numb, born with a weak heart
I guess I must be having fun

The less we say about it the better
Make it up as we go along
Feet on the ground, head in the sky
It's okay, I know nothing's wrong, nothing

Oh! I got plenty of time
Oh! You got light in your eyes
And you're standing here beside me
I love the passing of time
Never for money, always for love
Cover up and say goodnight, say goodnight

Home, is where I want to be
But I guess I'm already there
I come home, she lifted up her wings
I guess that this must be the place

I can't tell one from the other
I find you, or you find me?
There was a time before we were born
If someone asks, this is where I'll be, where I'll be

Oh! We drift in and out
Oh! Sing into my mouth
Out of all those kinds of people
You got a face with a view
I'm just an animal looking for a home and
Share the same space for a minute or two

And you love me till my heart stops
Love me till I'm dead
Eyes that light up
Eyes look through you
Cover up the blank spots
Hit me on the head I got
ooh!

8. PURPLE RAIN- Prince

I never meant to cause you any sorrow
I never meant to cause you any pain
I only wanted to one time to see you laughing
I only wanted to see you
Laughing in the purple rain

[chorus]

Purple rain, purple rain
Purple rain, purple rain
Purple rain, purple rain
I only wanted to see you
Bathing in the purple rain

I never wanted to be your weekend lover
I only wanted to be some kind of friend
Baby, I could never steal you from another
It's such a shame our friendship had to end

[chorus]

I only wanted to see you
Underneath the purple rain

Honey, I know, I know
I know times are changing
It's time we all reach out
For something new, that means you too
You say you want a leader
But you can't seem to make up your mind
I think you better close it
And let me guide you to the purple rain

[chorus]

9. STAYIN ALIVE - The Bee Gees

Well, you can tell by the way I use my walk
I'm a woman's man, no time to talk
Music loud and women warm, I've been kicked around
Since I was born
And now it's alright, it's okay
And you may look the other way
We can try to understand
The New York Times' effect on man

Whether you're a brother or whether you're a mother
You're stayin' alive, stayin' alive
Feel the city breakin' and everybody shakin'

And we're stayin' alive, stayin' alive
Ah, ha, ha, ha, stayin' alive, stayin' alive
Ah, ha, ha, ha, stayin' alive_____

Well now, I get low and I get high
And if I can't get either, I really try
Got the wings of heaven on my shoes
I'm a dancin' man and I just can't lose
You know it's alright, it's okay
I'll live to see another day
We can try to understand
The New York Times' effect on man

[chorus]

Life goin' nowhere, somebody help me
Somebody help me, yeah
Life goin' nowhere, somebody help me, yeah
I'm stayin' alive

Well, you can tell by the way I use my walk
I'm a woman's man, no time to talk
Music loud and women warm, I've been kicked around
Since I was born
And now it's alright, it's okay
And you may look the other way
We can try to understand
The New York Times' effect on man

[chorus]

Life goin' nowhere, somebody help me
Somebody help me, yeah
Life goin' nowhere, somebody help me, yeah
I'm stayin' alive_____

Life goin' nowhere, somebody help me
Somebody help me, yeah
Life goin' nowhere, somebody help me, yeah
I'm stayin' alive_____

10. FEEL IT STILL - Portugal. The Man.

Can't keep my hands to myself
Think I'll dust 'em off, put 'em back up on the shelf
In case my little baby girl is in need
Am I coming out of left field?

[chorus]

Ooh woo, I'm a rebel just for kicks, now
I been feeling it since 1966, now
Might be over now, but I feel it still
Ooh woo, I'm a rebel just for kicks, now
Let me kick it like it's 1986, now
Might be over now, but I feel it still

Got another mouth to feed
Leave her with a baby sitter, mama, call the grave digger
Gone with the fallen leaves
Am I coming out of left field?

[chorus]

We could fight a war for peace
(Ooh woo, I'm a rebel just for kicks, now)
Give in to that easy living
Goodbye to my hopes and dreams
Stop flipping for my enemies
We could wait until the walls come down
(Ooh woo, I'm a rebel just for kicks, now)
It's time to give a little to the
Kids in the middle, but oh 'til it falls
Won't bother me

Is it coming?
Is it coming?
Is it coming?
Is it coming?
Is it coming?
Is it coming back?

Ooh woo, I'm a rebel just for kicks, yeah
Your love is an abyss for my heart to eclipse, now
Might be over now, but I feel it still

Ooh woo, I'm a rebel just for kicks, now
I've been feeling it since 1966, now
Might be over now, but I feel it still

Ooh woo, I'm a rebel just for kicks, now
Let me kick it like it's 1986, now

Might be over now, but I feel it still
Might've had your fill, but you feel it still

11. I WILL SURVIVE - Gloria Gaynor

At first I was afraid, I was petrified
Kept thinking I could never live without you by my side
But then I spent so many nights thinking how you did me wrong
And I grew strong
And I learned how to get along

And so you're back
From outer space
I just walked in to find you here with that sad look upon your face
I should have changed that stupid lock, I should have made you leave your key
If I'd known for just one second you'd be back to bother me

Go on now, go, walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye
Do you think I'd crumble
Did you think I'd lay down and die?

Oh no, not I, I will survive
Oh, as long as I know how to love, I know I'll stay alive
I've got all my life to live
And I've got all my love to give and I'll survive
I will survive, hey, hey

It took all the strength I had not to fall apart
Kept trying hard to mend the pieces of my broken heart
And I spent oh-so many nights just feeling sorry for myself
I used to cry
But now I hold my head up high and you see me
Somebody new
I'm not that chained-up little person and still in love with you
And so you felt like dropping in and just expect me to be free
Well, now I'm saving all my lovin' for someone who's loving me

Go on now, go, walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to break me with goodbye
Do you think I'd crumble
Did you think I'd lay down and die?

Oh no, not I, I will survive
Oh, as long as I know how to love, I know I'll stay alive

I've got all my life to live
And I've got all my love to give and I'll survive
I will survive
Hey, Hey

Go on now, go, walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to break me with goodbye
Do you think I'd crumble
Did you think I'd lay down and die?

Oh no, not I, I will survive
Oh, as long as I know how to love, I know I'll stay alive
I've got all my life to live
And I've got all my love to give and I'll survive
I will survive

Oh no, not I, I will survive
Oh, as long as I know how to love, I know I'll stay alive
I've got all my life to live
And I've got all my love to give and I'll survive
