

Remember Meetings?

They're like Zoom calls...but in person.
With real, live people.
(Weird, right?)

Meetings—like all the cool stuff at a Portland vintage store—will be coming back in style soon, along with craft breweries, food carts, hand-made goods, art, music, donuts, bikes, hikes, and all the things that make Portland a great place to meet.

Want to have a real meeting in Portland? How about a sweet deal?
