

Beer Capital of the World

SAMPLE ONE-DAY ITINERARY

1 BREAKSIDE · The brewery is known for its innovative, experimental and diverse beers. Breakside was named Brewery of the Year at the 2017 Oregon Beer Awards and the 2017 Best of Craft Beer Awards.

2 EXNOVO · Drink Beer. Do Good. Is their mantra. Beer has always done a great job of bringing people together and hatching great ideas, like the one to start a brewery that gives all its profits away. We wanted to form a brewery that respects the pedigree of brewing found in the NW crafting consistently enjoyable and unique beers.

3 ECLIPTIC BREWING MOONROOM · Ecliptic boasts deep roots: Oregon brewing legend John Harris spent decades at local breweries. The tap list is heavy on barrel-aged recipes and unusual ingredients ; the signature Orbiter IPA boasts a constellation of “C” hops (Cascade, Centennial, Chinook, and Columbus) and a bright, full-bodied flavor.

4 CASCADE BARREL HOUSE · Tart, barrel-aged beers are the emerging beer style and Cascade Brewing is a pioneer of the Northwest sour beer movement. We are, by nature, the definition of artisanal brewing: we’re not bound by stylistic guidelines, just our own imagination and the ingredients we can access.

5 MIGRATION BREWING · What they believe: We believe in sweat equity and doing it yourself. We live for sunny days on the patio. We are independent. We measure success one pint at a time. We give back. We love our neighborhood and city. Some of us are from here, some of us aren't. We believe in the power of beer, people and chasing dreams. We believe that great beer makes the journey.

Gluten-free ale is the sole focus at **7 GROUND BREAKER BREWING**, which uses Willamette Valley chestnuts hand-roasted on-site to take the place of grains in their award-winning brews. Taste gluten-free IPAs, pale and dark ales, as well as experimental ales incorporating local ingredients like coffee or squash, and enjoy gluten-free food at the Ground Breaker Gastropub next door.

Get your wing-fix while sipping at **8 FIRE ON THE MOUNTAIN**. Since claiming best chicken wings this side of Buffalo, they decided to enter Portland's brewing gold rush. And while their brewery continues to grow, their mission remains the same: make outstanding beer for excellent people.
