

# DESIGN YOUR PORTLAND

Give your attendees a truly authentic Portland experience! The Travel Portland team can customize your experience with fun and creative perks, making your conference more welcoming and memorable.

## MARCHING BAND WELCOME

In Portland, marching bands don't hang up their instruments after high school or college, they keep the music going year-round at events around town. Let one of our unique marching bands welcome your attendees at the opening session or outside as they enter the convention center.

## CRAFT BEER, OUR TREAT

With over 70 breweries, Portland is a beer lover's paradise. Sample a wide variety of brews from your microbrewery of choice during a happy hour or registration.

## SELFIE STATIONS

Great photo opportunities are abundant in Portland, but there's not always time to explore them all. Allow us to recreate iconic Portland landmarks for attendees to get that special picture without leaving the OCC.

## THERAPY LLAMAS

You made it to Portland! Let Napoleon and friends soothe travel-weary attendees with their soft coats and photogenic faces. Hug, pet, take a picture or do all of the above with these cuddly camelids. They'll make sure everyone starts the day with a smile.

## PORTLAND TUNES

Add Portland ambiance to your opening keynote or reception with a local band. We'll work with you to choose a music genre that complements your event as attendees enter and exit.

## PORTLAND LOUNGE

Do you have extra space in an exhibit hall or near registration? We can create a locally inspired area complete with cozy couches and chairs, where attendees can gather to relax and network between sessions.

## GAMES GO BIG

Strategically place hands-on activities around your show to foster networking and creative play for attendees. Larger-than-life versions of Connect Four, Jenga and Ring Toss are sure to encourage interaction

## DANCE PARTY

Do you want to get people jazzed first thing in the morning or get them over their afternoon slump? Set toes to tapping with a Bollywood dance party or silent disco.

## MICROSITE

Get the word out to attendees with a custom microsite. If your conference qualifies, we'll create a Portland information hub that you can use to share all the important details with attendees.

## PORTLAND FOODIE

Portland is a foodie-favorite city! We can enhance any meal or break time with a food activation like a S'mores bar, donut truck, ice cream cart, or more.

## FOCUS ON WELLNESS

Start your day strong by centering your mind and relaxing your body. Find balance with a wellness activity during one morning. From energizing Zumba to a peaceful sound bath, we can find an option for any interest.

## DREAM BIG

Have another idea that we didn't list here? Let us know! Anything else you can dream up, we can help bring to life!
